

5 Questions to ask the Radiologist

“You have breast cancer” What Now?

- 1** **What type of cancer:**
invasive or in-situ?
- 2** **What is the grade of the cancer:**
low (1), intermediate (2), or high (3)?
- 3** **Are the receptors, positive or negative:**
ER, PR and Her2 (these results may not be immediately available and may take a few more days to be known)
- 4** **What is the size of the tumor:**
Your radiologist ought to be able to give you this information.
- 5** **Are there any suspicious lymph nodes based on the mammogram or imaging studies**
